

**Corporate
Overview**

Who we are

Lintech International LLC is a privately owned specialty chemical distributor established in Macon, Georgia in 1983, with over 70 employees nationwide. We serve a variety of end markets nationally, including coatings, inks, adhesives, polymers, rubber, plastics, and composites. Our strong technical sales force focuses on an extensive range of raw materials including resins, monomers, polymers, additives, pigments, and a complete line of functional minerals.

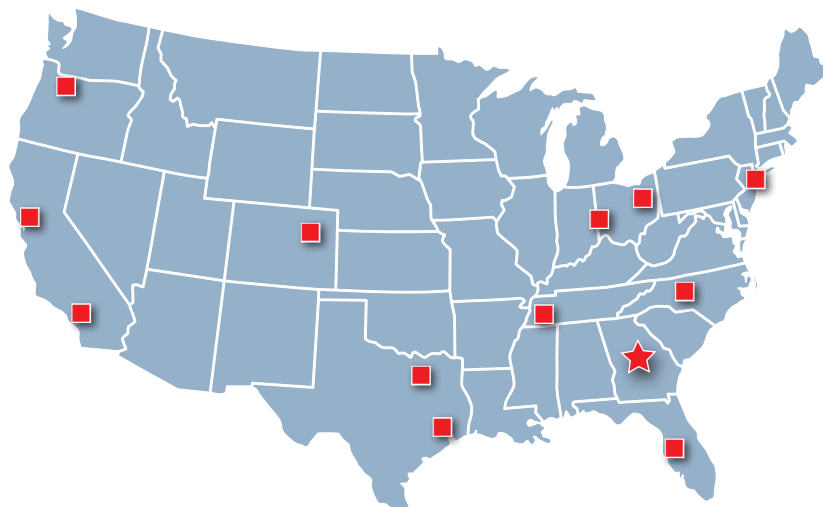

Supply Partners

Lintech has partnered with leading manufacturers in the chemical industry, both domestically and across the globe. We continue to foster relationships with chemical manufacturers to identify and secure sources for the most complete line of quality products for our customers. Our experience and infrastructure enable us to supply products from multinational chemical suppliers quickly, reliably and economically.

Logistics Expertise

Lintech owns two warehouses - one at our Macon headquarters and one in Richmond, Indiana. We also operate out of 11 public warehouses strategically located across the country, allowing next day delivery in most of our key customer areas. Lintech is certified under ISO 9001:2015, is a verified NACD Responsible Distributor, and is CTPAT verified. We have an outstanding safety record with only 2 recordable injuries in 35 years of operation

Technical Sales Coverage

Lintech has over 30 field and inside sales representatives and 5 regional sales managers that cover the entire U.S. The majority of the Lintech sales team have technical backgrounds, with many having formulating experience in the coatings and adhesives industries. Our sales process is certified under ISO 9001:2015 and our sales reporting system allows us to consistently update our suppliers on all activities in the promotion, sales and service of their Lintech represented business.

Regional Support

Our sales teams are managed in regions by regional sales managers: Southeast, Midsouth, Southwest, West, Northeast and Midwest. Inside sales representatives are assigned to each region to support smaller and more remote customers.

Outstanding Service

Lintech prides itself on outstanding customer service. From the technical expertise of our sales force and the superb responsiveness of our customer service team to the same day shipping service of our warehouses, we continually strive to serve our suppliers and customers at the highest possible level.
